

PROFILE OF PROFESSOR VICTOR CHUKWUEMEKA NNAM, FNIS

Personal Background:

Professor Victor Chukwuemeka Nnam was born in the early 1980s to Deacon and Deaconess John Okwor Nnam in Enugu South Local Government Area, Enugu State, Nigeria. His upbringing in a supportive and religious household laid a strong foundation for his values and aspirations.

Education:

Prof. Victor Nnam pursued his academic journey at two prestigious institutions. He obtained a Bachelor of Science (B.Sc), Master of Science (M.Sc), and PhD in Surveying and Geoinformatics from Enugu State University of Science and Technology and the University of Nigeria, respectively. His dedication to his studies was exemplified when he graduated as the Best Graduating Student in 2007.

Academic Career

In 2009, upon completing his studies and NYSC, he was retained as a Graduate Assistant at Enugu State University of Science and Technology (ESUT), marking the beginning of his promising academic career. Rising through the ranks, Victor became a Professor (Pro Bono) at the University of Nigeria in 2024 and still a Visiting Lecturer in the Department of Geomatics at the University of Benin till date. Prof. Nnam has authored and co-authored over forty peer-reviewed academic publications, showcasing his commitment to research and knowledge dissemination.

Professional Experience:

Surv. Victor Nnam is a Registered Land Surveyor and accomplished real estate developer. In 2019, he was appointed as the Honorable Commissioner for the Ministry of Lands and Urban Development in Enugu State, where he played a significant role in improving land governance and urban planning.

Awards and Recognition:

His contributions to academia have not gone unnoticed. He received the Best Departmental Lecturer Award from the Department of Surveying and Geoinformatics at ESUT in 2012. Additionally, he has received commendations from the Governing Councils of the University of Nigeria and ESUT in 2018 and 2024, respectively. Prof. Nnam is currently elevated to the rank of FELLOW by the Nigerian Institution of Surveyors marking the attainment of the peak of his professional career.

Vision and Values:

Prof. Nnam aspires "to make the maximum contribution to humanity towards a better society." He is guided by the principles of Discipline, Integrity, Excellence, and Patience. He firmly believes that a new and prosperous Nigeria is achievable within his lifetime.

Personal Life:

Prof. Victor Nnam is happily married to Mrs. Divine Nnam, and they are blessed with four children. The family resides in Enugu, Nigeria, where Prof. Nnam continues to positively impact his community and society at large.
